ITALIAN ORGANIC EXCELLENCE

Tea Feddo, Cola, Soft & Fruit Drinks

Galvanina Century Organic Soft Drinks are made using the **Juice** and **Pulp** of **Organic Citrus Fruits** from southern Italy and the Mediterranean area. The unique flavours and aromas of fresh fruit, ripened on the tree, give life to **ancient recipes that have been skilfully reinterpreted** to offer an exciting experience, winning over consumers and guaranteeing **genuine emotions.**

As a **thirst-quencher**, with a couple of cubes of ice and a slice of lemon or orange or some zest or peel, **accompanying a snack or main meal** or as a **mixer**, these organic soft drinks are a world waiting to be explored or rediscovered.

For every time you want to feel good!
